

Chamber Primary Health Plan

For as little as £1.10 per employee, per week, Hertfordshire Chamber members can provide their employees with this quality healthcare plan to help them look after their everyday health. In return for company-paid weekly premiums, the Chamber Plan provides eligible employees with cash benefits (up to set limits) towards a range of routine healthcare including Optical, Dental and Chiropractic treatment, Physiotherapy, Osteopathy, Homeopathy and much more.

In addition, the Plan's MRI, CT & PET Scanning benefit provides access to some of the most advanced screening technology available today to help provide early diagnosis of health problems before they become chronic. Plus, its Employee Assistance Programme provides a confidential 24-hour Freephone Counselling and Advice Service for a range of medical, legal and domestic issues, including up to 5 face-to-face counselling sessions for the policyholder.

No medical is required to join and pre-existing conditions are covered.
