*Re: ATR Number.....

*Re: Invoice Number.....

I understand the use of an ATR as specified in Customs Notice 812 and confirm that the A.TR and invoice relate to qualifying goods in free circulation in the EU.

*This movement is covered by CPC Number:

.....

The CPC is the information which appears in box 37 of the entry. Details of the CPC's can be found in Appendix E1 of the Customs Tariff, Volume 3. If you don't have access to the Tariff, your freight forwarder should be able to provide you with this information.

The goods in this movement are covered by Customs Tariff heading(s):

.....

I confirm that the goods are transported direct to Turkey. Direct transport is goods transported:

- without passing through countries outside either the EU or Turkey
- through countries outside the EU or Turkey, or transhipped in those countries, provided they: aren't delivered for home use in the country of transit remain under customs control in the country of transit don't undergo any operation there other than unloading, reloading or any operation designed to keep them in good condition.
